Certificates

Teachers appreciate those students who work hard, do well at school or do good things for others. To show that teachers notice when students do well either academically or socially, teachers have awarded them certificates.

Parent-Teacher Conferences

The British School will be holding Parent-teacher Conferences on Saturday, 10th November. The purpose

of these meetings is to discuss the progress of your child this term.

Your child's teacher will inform you of the strengths and needs of your child and what you and your child can do to make the first term successful. Parents, staff and children should all work together to achieve this success.

Please phone or come to the office to book a time for your meeting. We look forward to seeing you there.

House Teams

Students are busy earning merit points for their house teams. It is good to see students earn merits for their school work or for their good behaviour. At the time of writing this newsletter the house teams had earned the following points.

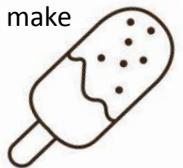

Blue	Green	Red	Yellow
165	162	230	107

After-school Activities

After-school activities at BSB have begun with students participating in a variety of activities. Thank you for being prompt in picking up your child.

Ice cream Day

We have had more ice cream days, which everyone enjoyed. The money made from the sales will go towards helping someone in need. So far we have made over 400 LD. We will be finding other ways to make more money in the near future.

UN Week

United Nations

Our theme for this year was 'A Peaceful Heart Creates a Peaceful World'. Mr. Mohamed kindly organised

many activities for the children.

The Infants coloured and cut out doves, a symbol of peace. The Juniors were given situations in which there was a conflict and they had to find a peaceful solution. Some examples of the problems are:

There is one skipping rope. You and your friend want to play skipping at the same time. What do you do? (Play together.)

Your sister/brother is always going into your room and borrowing stuff without asking? What could you do? (Call Dad!)

We have been trying to take this into our every day lives and students were using words to work out any problems they had, particularly during break times. Each child wrote or drew what peace meant to them. This has been displayed on one of our boards.

Our assembly was well attended and all of the school took part. Year 6 told us about a young boy, a refugee, who has opened a school for other refugees. He started teaching there

himself, even though he was only 12 years old when he started!

Year 3 told us about another person who believes that education is vital to all: Malala.

The Infants sang a song about 'Joy, Peace and Love'.

Year 4 told us about Nelson Mandela, an important figure in the history of world peace.

Year 5 told us about John Lennon, who wrote and sang songs but also was opposed to war. They sang a song called 'Give Peace a Chance': a message we all need to remember.

Each class also learnt to say the word 'peace' in another language.

Families have been donating clothing, toys and school supplies over the past two weeks. These will be given to an orphanage so that the children can have things they need. A big thank you goes to all families who donated to the orphanage. It's not too late to give. If you have any items you no longer use, please send them to school this week. We will be putting everything together to deliver it to the orphanage.
