### Certificates

Teachers appreciate those students who work hard, do well at school or do good things for others. To show that teachers notice when students do well either academically or socially, teachers have awarded them certificates.

### Bake Sale

Year 6 organised a Bake Sale on 14<sup>th</sup> March. This was as popular as ever! Remember that all the money will go to families who have sick children in hospital. We thank all our parents who gave their time and effort to make these tasty treats.

### Ali Baba and the Bongo Bandits

The production was a great success with many people saying it was the best they had seen! Congratulations to all the children who took part. Many thanks to all the staff for their tireless effort in helping to make this production one to remember.

This year we added a new activity at the end: we asked the audience to vote for the best performances and gave 'Oscars' to those who received the most votes. Our Oscar winners were:

Best Male in a Leading Role: Zaid  
Best Female in a Leading Role: Remas B.  
Best Male in a Supporting Role: Zubair  
Best Female in a Supporting Role: Fatima  
Best Solo Singer: Almadani.

Miss Nafeesah also gave certificates for perfect attendance and good behaviour. Congratulations to everyone!

### Sports Day

Sports Day is always popular and it is an enjoyable, if tiring, day for everyone. We had games and races and then some more games. Many thanks to the parents

who came to watch and support. It was great to see you all.

### Reading Week

Our last week of term also coincided with Reading Week. On the first day we had a session of 'Buddy Reading'. The Juniors read stories to the Infants. They all enjoyed the time together. At the end of the day we had a D.E.A.R. session. That means Drop Everything And Read. Everyone met in the hall and read a book quietly until it was time to go home.

The next day the Juniors were fortunate enough to meet a famous Libyan poet, Radwan Elnaji. He came to the school and spoke to them about different types of poetry and read one of his own poems. We thank Miss Nafeesah for introducing him to us.

At the end of the day the Juniors played a new game: Charades. The idea is that one person reads the title of a book and has to explain to the others, without speaking, what the title is. They have to show how many words are in the title and then try to get the spectators to understand what those words are. It was hilarious to see!

On Tuesday the Juniors had a House Quiz and the Infants had theirs the next day. All the children did very well. It is not easy to remember all the things you know when you are in front of an audience! All the participants collected house points for their team.

On Tuesday and Wednesday we held more D.E.A.R. sessions. As they were lovely days, some of

the children went out and sat under the trees to read. They also went out for the last 'Buddy Reading' time. The good weather helped the children to relax in the sun or in the shade. They all enjoyed the stories even more.

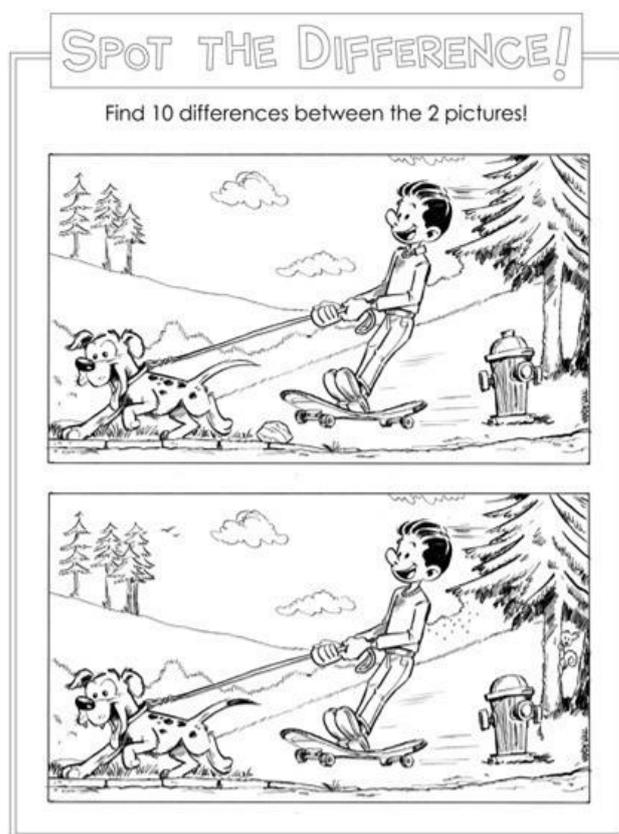

### Late Comers

We remind you that your child should arrive in school before 8.00. Late comers miss out on daily routines and, in many cases, parts of the lessons. This puts them at a disadvantage. Anyone arriving after 8.30 must report to the office before joining the class.

Tomorrow, Wednesday, 1<sup>st</sup> May the school will be closed in celebration of Labour Day. School will resume as normal on Thursday.

Please note that the canteen will be closed from Sunday, 5<sup>th</sup> May.
