## JUNE 2025

## YEAR 2

### English:

**We are reading "The Sea", "On the Ning Nang Nong"**

Reading Comprehension on the Poems.

**Grammar:** Students learn about Rhyme and Alliteration. Noun, pronouns, adjectives and punctuation are consolidated.

**Writing:** The students learn how to make up their own "Poem".

**Handwriting:** concentrate on spacing of words in sentence writing.

**Spelling:** Spelling Words with an apostrophe, compound words and high frequency words. Activities

**Reading:** Leveled ORT books, read for fluency and enjoyment.

### Science:

In the Science lessons we learn about: Our SUN, a middle – sized STAR

Students write important facts

### Geography:

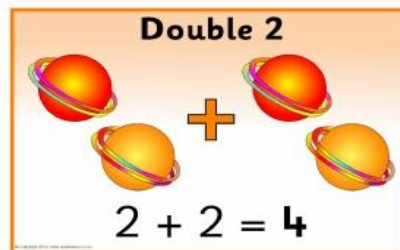

In our Geography lessons we revise work completed; example: Neighbourhoods and different homes.

History: Drawing pictures on the Great Fire.

### Math

**In our Math lessons we will focus on:**

- Using Number facts – Problem Solving
- Multiplication and Division
- Measure - Capacity
- Fractions –  $\frac{1}{2}$  of a number
- Doubles
- Hundreds, Tens and Ones

**Revision is done on all the Mathematics concepts!**
