

Year 4 - What's news?

Date: June 2025

News from Mr. S

We are in the last month of what has proven to be a wonderful year with amazing students. I would like to take this opportunity to thank every child in my classroom for all their hard work and congratulate each one on the progress they have made. I would also like to thank all the parents for their support and understanding throughout the year. I can assure you that it meant a lot to the children and myself. Best wishes to all for the assessment week. I am sure you will be well prepared and achieve the results you deserve.

Lastly, I will be moving on from the British school next year but will fondly remember you all.

English

We will finish our new fiction topic, *Cloud Rider*.

Children will have the opportunity to read independently and analyse given text. To complete the unit, we will complete all related activities from the English Workbook.

The week before assessment week, we will spend time to revise criteria needed to successfully complete written tasks and reading comprehension, in preparation for the assessment.

Maths

- Coordinates
- Pie and Bar graphs
- Line graphs
- Revision

Science

We will complete our unit on Sound and do the end of unit assessment.

Our last unit for this year is *Electricity*. We will look at electrical appliances in our home, the safe use of electricity, electrical components, conductors and insulators. If time allows, we will revise the year's work with a 'Question and Answer' session.

Humanities

The final two units this year are *The Seashore* and *Rivers*.

Our end of year assessment will also be based on these two topics.

The Year 4 Class Dojo Hall of fame
